Mobiles (at JAE): 1).....2).....

Club Display AREAS

Club display areas will cost the equivalent of £1.00 a car for the entire three day event (including VAT)
i.e. a 20 car plot will cost £20 for the duration

Clubs are asked to provide two contacts on this form. The nominated club representatives must accept responsibility on behalf of the club in all matters concerning JAE. As soon as the booking form has been completed and sent in with payment, space will be reserved accordingly. We will endeavour to keep associated clubs together, (e.g. MR2 Mk1 and MR2 ROC) please let us know if you have any preferences. Similarly, if you would prefer **not** to be near associated clubs please let us know also. Please register as soon as possible as we need to make sure we can accommodate as many clubs and as many cars as possible.

To help with traffic flows a plan of the arena will be sent out to Club representatives three weeks before the event. In addition to marshals provided at the event we would ask that you marshal your own Club members and help us ensure the traffic hold ups are kept to a minimum.

Entry to JAE is in addition to the cost of a reserved display area and must be paid for either in advance or on arrival. Advance tickets are £12.00 per person for the entire event (even if you choose only to stay for the one day). Entry on the day is £15.00 per person for the entire event (even if you choose only to stay for the one day). Under 12s are £10 on the day or £6 in advance for the entire three day event

A *support vehicle pass* will be sent out with each confirmed booking. Non-Japanese support vehicles or other support vehicles will be allowed in with this pass, but you will still need to buy a ticket(s). Non-Japanese support vehicles will only be allowed in with a *support vehicle pass*.

Each Club will need to provide their own electricity supply. If you require, we can provide a list of recommended generator providers. Clubs wishing to arrange for a marquee to be erected on site can do so but can only use one of the preferred marquee providers. A list of these can be obtained from the organisers. This is for site security and to prevent erection of marquees in the wrong areas and too many teams working on site simultaneously.

REServed camping

To prevent the overuse of Club pitches as camping areas it is now possible to reserve your own camping area at JAE. This will be adjacent or as near as we can get to your club stand and will be reserved exclusively for your use. We hope this will give JAE a much more car orientated and less tent camping orientated feel and improve the show for the clubs, the visitors and make it easier for the organisers. The fee is £20 for an area 20m x 20m

car plots at £1 per car	£	: 00	vat included	total : £
camping at £20 per area	£	: 00	vat included	

I have read and agree to the conditions which accompany this booking form
